

**Road Engineering Association of Asia & Australasia
Korean Chapter**

Members
Road Engineering Association of Asia and Australasia

May 2, 2024

Dear all members,

Greetings from REAAA Korean Chapter.

As the chairperson of the Hwang Fund Committee, I am pleased to announce its very first call for nomination of the Hwang Award 2025.

The Hwang Award, established with the generous donation of Mr. Hwang Gwang-ung, would recognize and celebrate REAAA members and their dedication towards the Association every four year. The Hwang Fund Committee welcomes applications from any REAAA member, who made a significant contribution to REAAA and its activities. Please find the attachments and relevant information for your further reference.

I would like to specially request the Governing Council members to support this endeavor by nominating competent candidates so that the Award's positive impact can be ensured.

If you have any questions or request concerning this matter, please feel free to contact our chapter (Mr. Jay Park / kirc@kroad.or.kr).

Thank you for your continuous support.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Jong Gon, Park".

Jong Gon, Park
Chairperson
Hwang Fund Committee
